Re: Reference Letter - Trulane General Contracting, Inc

To Whom It May Concern:

Trulane General Contracting, Inc. completed a remodel for our Jersey Mike's Subs store in March of 2008. The store is located in Mt. Pleasant, SC. David Lewis and his team were true professionals from start to finish. This was new territory for us and they basically held our hand every step of the way. After completion, David took the time to go over all invoices associated with the job. They went above and beyond our expectations from their service to their quality of construction.

Please feel free to contact me with any other questions.

Sincerely,
