To The North Carolina Licensing Board

RE: David Lewis/Trulane General Contracting, Inc.

Dear Sir or Madam:

My name is Angus Lawton, and I am the senior partner of the Lawton Law Firm, LLC, located in Mt. Pleasant, South Carolina. We recently had the pleasure of dealing with David Lewis and Trulane General Contracting when they built out my office unit.

David Lewis and all of his employees were very capable, and they did an excellent job in my office. I also have dealt with David Lewis in other matters since the completion of my office. I believe that David Lewis has outstanding character and the highest level of integrity. He also has a high level of expertise in the construction business, and his company provides outstanding service.

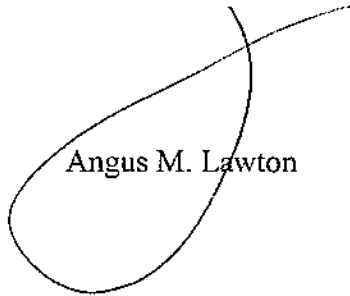

Please let me know if you have any questions about my experience with David Lewis and/or Trulane General Contracting, Inc.

I recommend that the North Carolina Licensing Board accept their application to be licensed in North Carolina.

Thank you for your assistance.

With kind personal regards, I remain

Very truly yours,

Angus M. Lawton
